FLORENCE

p. 1-6

Exquisitamente esculpido y elegante, estamos orgullosos de presentarles la colección de baño de diseño Florence de Sunrise Bathrooms. Cuidadosamente seleccionada para crear un aspecto coordinado, encontrará una gama de productos premium, desde inodoros hasta lavabos, todos de diseño.

El inodoro suspendido Florence se suministra con un lujoso asiento de cierre suave, además de marco de montaje, cisterna empotrada aprobada por WRAS (Water Regulations Advisory Scheme) y placa de descarga cromada. Completando su conjunto está el lavabo de semipedestal Florence a juego con un desagüe giratorio fácil de usar, además del grifo mezclador de lavabo Ellis de ingeniería de precisión

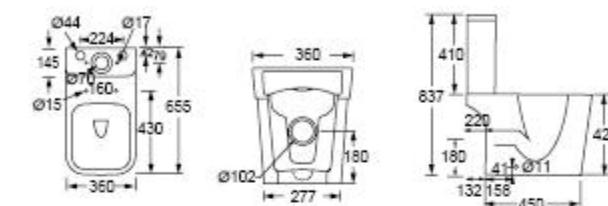

Aporte un estilo elegante y de diseño a su baño o suite con este impresionante lavabo con pedestal de nuestra gama Florence

NAPOLI

p. 15-20

Con bordes finos y fuertes rasgos angulares, esta colección premium de Sunrise

Bathrooms se sitúa firmemente a la vanguardia del diseño de baños modernos.

Con una gama de opciones cuidadosamente esculpidas para baños grandes y

pequeños, descubrirá la combinación perfecta para crear ese aspecto de diseñador.

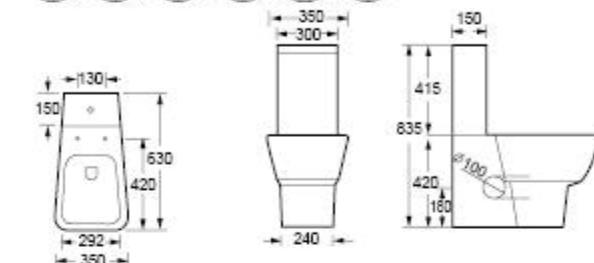

Para una apariencia limpia y contemporánea, este conjunto de baño viene completo con un inodoro montado en la pared, que incluye un marco y una cisterna de alta calidad, además de un lavabo con semipedestal. Ambos hechos de cerámica esmaltada de alta calidad, ayudarán a mantener el espacio del piso despejado y fácil de limpiar.

FAIR

p. 21-26

Buscas un diseño contemporáneo? Fair es simple, elegante y bellamente esculpido. Con sus líneas fluidas y bordes finos, esta gama será la clave del baño moderno de hoy.

Este completo conjunto de aseo ofrece calidad y rentabilidad. Es moderno, elegante y funcional, y ofrece todo lo necesario para equipar completamente su baño pequeño, en suite o aseo en la planta baja. Un producto fantástico de Sunrise Bathroom.

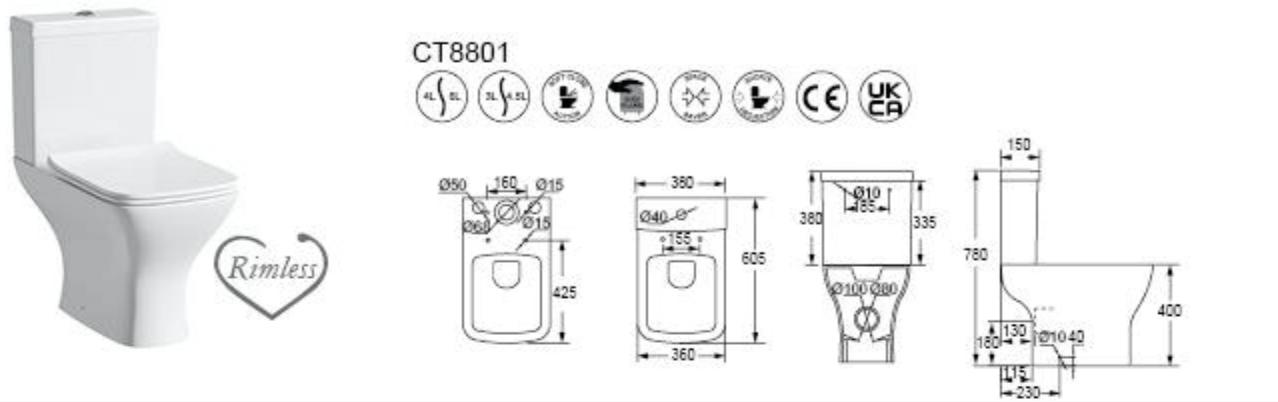

Este paquete incluye los siguientes artículos: un inodoro de cerámica esmaltada de acoplamiento cerrado completo con cisterna y cadena, un asiento de inodoro acrílico de cierre suave, un lavabo de pedestal completo con grifo mezclador y desagüe.

Todos los materiales utilizados son de alta calidad. Esto garantiza un conjunto de baño duradero, resistente y fácil de limpiar y mantener.

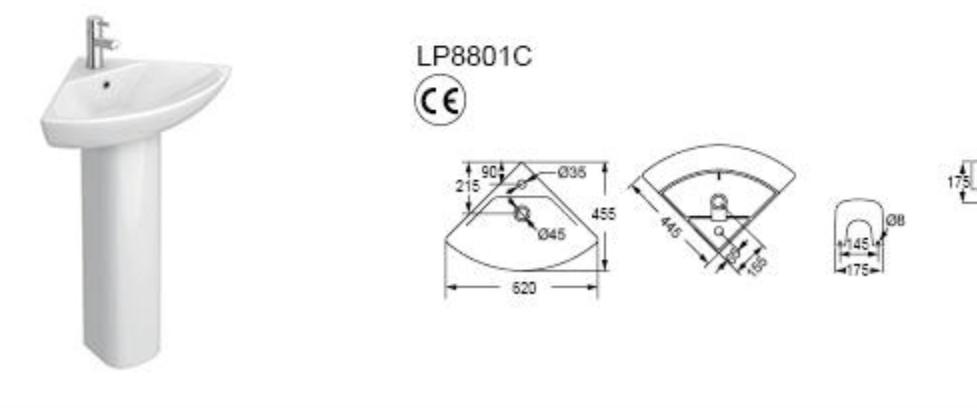

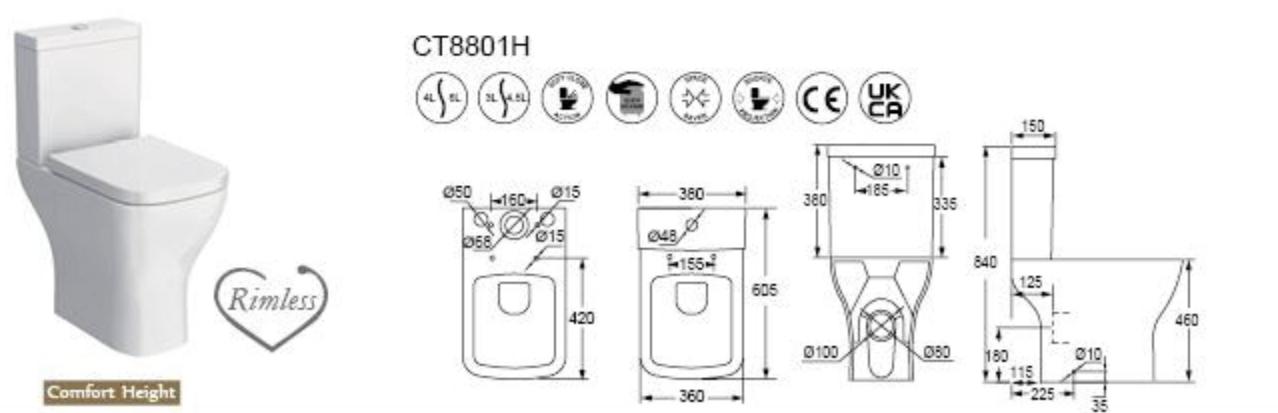

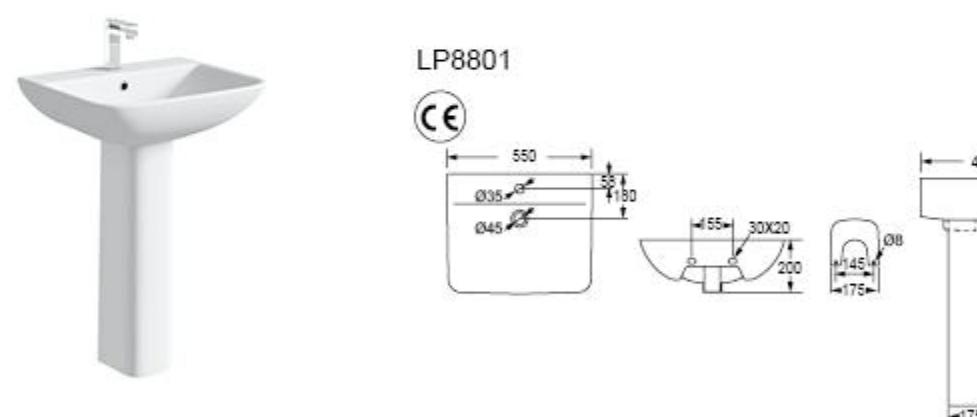

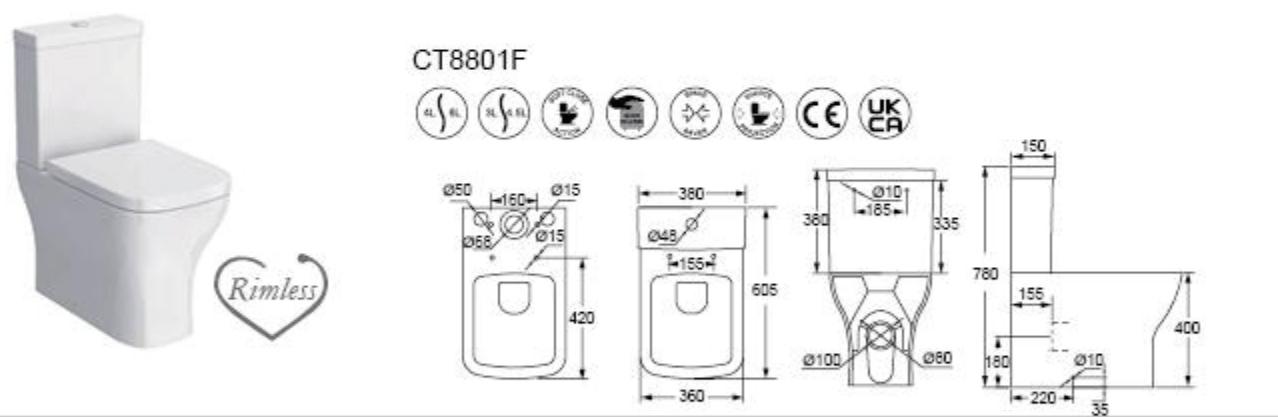

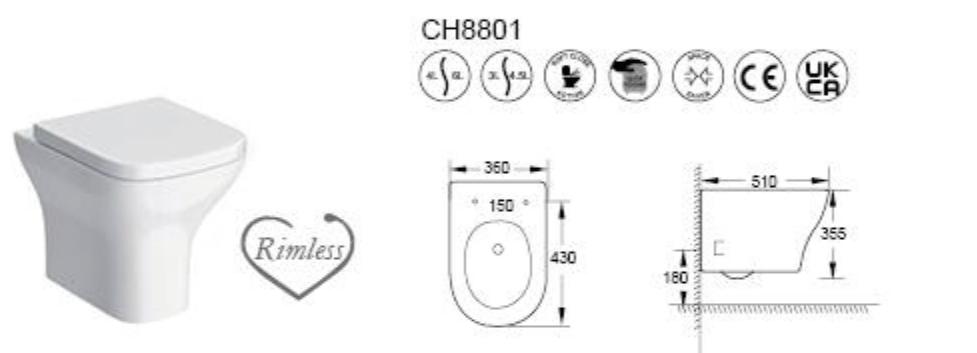

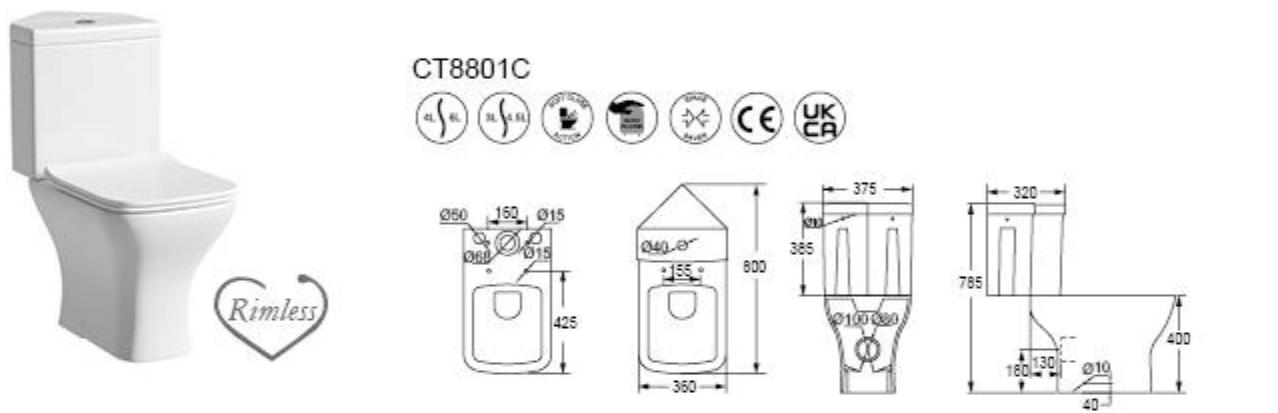

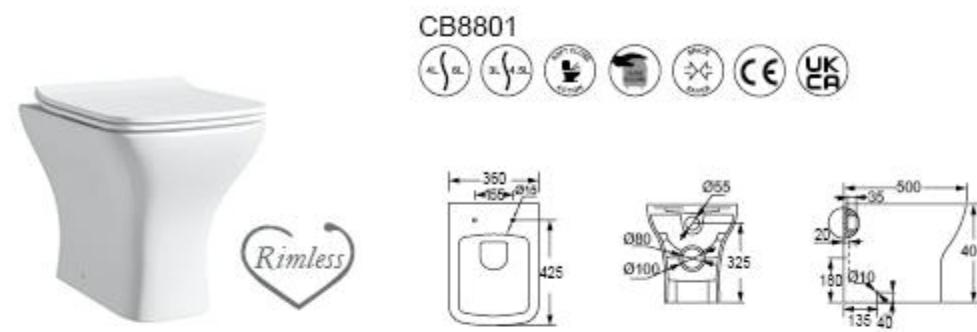

Si el espacio es escaso en su baño, este inodoro adosado a la pared de nuestra gama Fair Square podría ser la solución. Con un diseño cuadrado de tendencia y un asiento ultramoderno de cierre suave y estilizado, este inodoro cabe incluso en los espacios más pequeños, con un ancho de tan solo 360 mm. Combínalo con uno de nuestros muebles de pared de diseño estilizado y cisterna empotrada para una apariencia fresca y moderna, o esconde discretamente su cisterna detrás de una pared para ahorrar espacio. La elección es suya. Fabricado con cerámica esmaltada de alta calidad y fácil de mantener, ofrecemos una garantía extendida para este inodoro.

CAMBERLEY

p. 37-42

Ya sea que viva en una casa de estilo de época o moderna, la colección Camberley de Sunrise Bathroom es una excelente opción. Combina el estilo vintage y la elegancia con todo el rendimiento y la practicidad que esperaría de la fabricación y los materiales modernos, para crear un ambiente único.

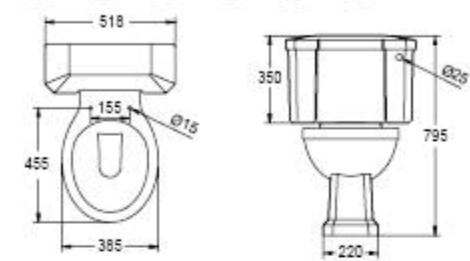

Este inodoro y unidad adosados a la pared es una versión tradicional de un diseño más contemporáneo, que le da a su baño un aspecto y una sensación únicos. Para facilitar la limpieza, el inodoro tradicional adosado a la pared está hecho de cerámica esmaltada de alta calidad y presenta hermosos bordes biselados, además de un resistente asiento de madera blanca.

Con cerámica esmaltada fácil de limpiar sobre un asiento de inodoro tradicional con efecto blanco, este llamativo diseño tiene todo lo que necesita para crear el tipo de baño de lujo que siempre ha deseado.

AERIAL

INODORO TODO EN UNO Y UNIDAD DE LAVABO

SMART TOILET

p. 69-74

Limpieza con lavado trasero: experimente una limpieza profunda con esta configuración.

Lavado frontal/femenino: un lavado suave para su zona íntima.

Función de secado: elija secarse para una experiencia de limpieza completa.

Presión de agua: 5 niveles de intensidad de rociado.

Manguera ajustable: 5 posiciones disponibles; la manguera no se activa a menos que la usuaria esté sentada en el asiento. Manguera autolimpiable antes de cada uso y si no se usa durante 72 horas; previene la acumulación de bacterias.

Temperatura del agua/aire: 5 temperaturas de lavado o secado (31-39 °C) y secado al aire (35-50 °C)

Luz inteligente: se enciende cuando se detecta poca luz; el brillo azul reduce la exposición a longitudes de onda de luz específicas que, de lo contrario, le despertarían.

Operar usando dial de control

Operar usando control remoto

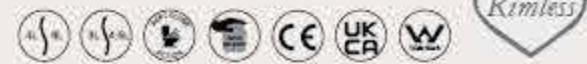

Self-cleaning

El brazo rociador y la boquilla se enjuaga antes de cada uso. Se limpia automáticamente cada 72 horas si no se utiliza.
